SF EUROPEAN GROWTH

6 Inc - Fund Factsheet - Covering the month of September 2021

The Fund

The Fund aims to deliver capital growth over the long term (5 years or more) using the Sustainable Future investment process. This process uses a thematic approach to identify the key structural growth trends that will shape the global economy of the future and the fund managers then seek to invest in well run companies whose products and operations capitalise on these transformative changes. The Fund invests in companies incorporated, domiciled or which conduct significant business in the in the EEA (European Economic Area) and Switzerland, and can invest up to 5% in UK-listed stocks.

Ratings and awards

Our experienced fund management team

Peter Michaelis and Martyn Jones have combined industry experience of more than 25 years and are part of a team of 13 investment professionals. The team joined Liontrust as part of the acquisition of Alliance Trust Investments (ATI) in April 2017 and were previously running the Sustainable Future Fund range at Aviva Investors. Peter was previously Head of SRI at Aviva Investors. Martyn was at Alliance Trust for five years, initially as a graduate trainee and then as an analyst with the Sustainable Investment team.

As the share class has been in existence for less than one discrete year as at the previous quarter end, there is insufficient data to provide an indication of past performance.

Key risks: Past performance is not a guide to future performance. Investment in the Fund carries the risk of potential total loss of capital. Investment decisions should not be based on short-term performance. Investment in the Fund involves foreign currencies and may be subject to fluctuations in value due to movements in exchange rates.

^{**}The fraction of a fund invested differently to its benchmark. A 100% active share is a fund with no holdings in the benchmark, a 0% active share is a fund identical to the benchmark.
